Come and join our last (of this school year) fun, after school art classes with Ms. Janet Dunn! Classes will be held in room 20 on Mondays 12:50-2:30 and/or Tuesdays 2:15-4:00. These will be mixed media classes; watercolor and acrylic painting, pencil drawing, scratch art and ceramics (kiln firing). Emphasis will be on learning the elements of art, techniques and creating!

Artists may come directly to room 20 after school, have a quick snack (parents please pack a small and healthy snack), wash up, and then the lesson will begin. Parents may pick up their child on Monday at 2:30 and on Tuesday at 4:00 at the front cage. You may bring an apron or one of Dad's old t-shirt to protect your school clothes!

Cost for each class is \$15.00, which includes all instructions and supplies. You may pay all at once for the entire class, or pay by the lesson! We will limit the classes to 38 students so return the bottom portion to Ms. Dunn as soon as possible to ensure your spot! Artwork will be used to decorate our office but will be returned at the end of the session. Come and see our beautiful art gallery!
